

CHAIN CONVEYORS

ZİNCİR KONVEYÖRLER

**RIFAY****RECYCLE SYSTEMS**

Rifay started its operations in Istanbul in 2005. With its 25 years of experience in the sorting and recycling sector and advanced engineering projects, it has gained significant market share in the international market.

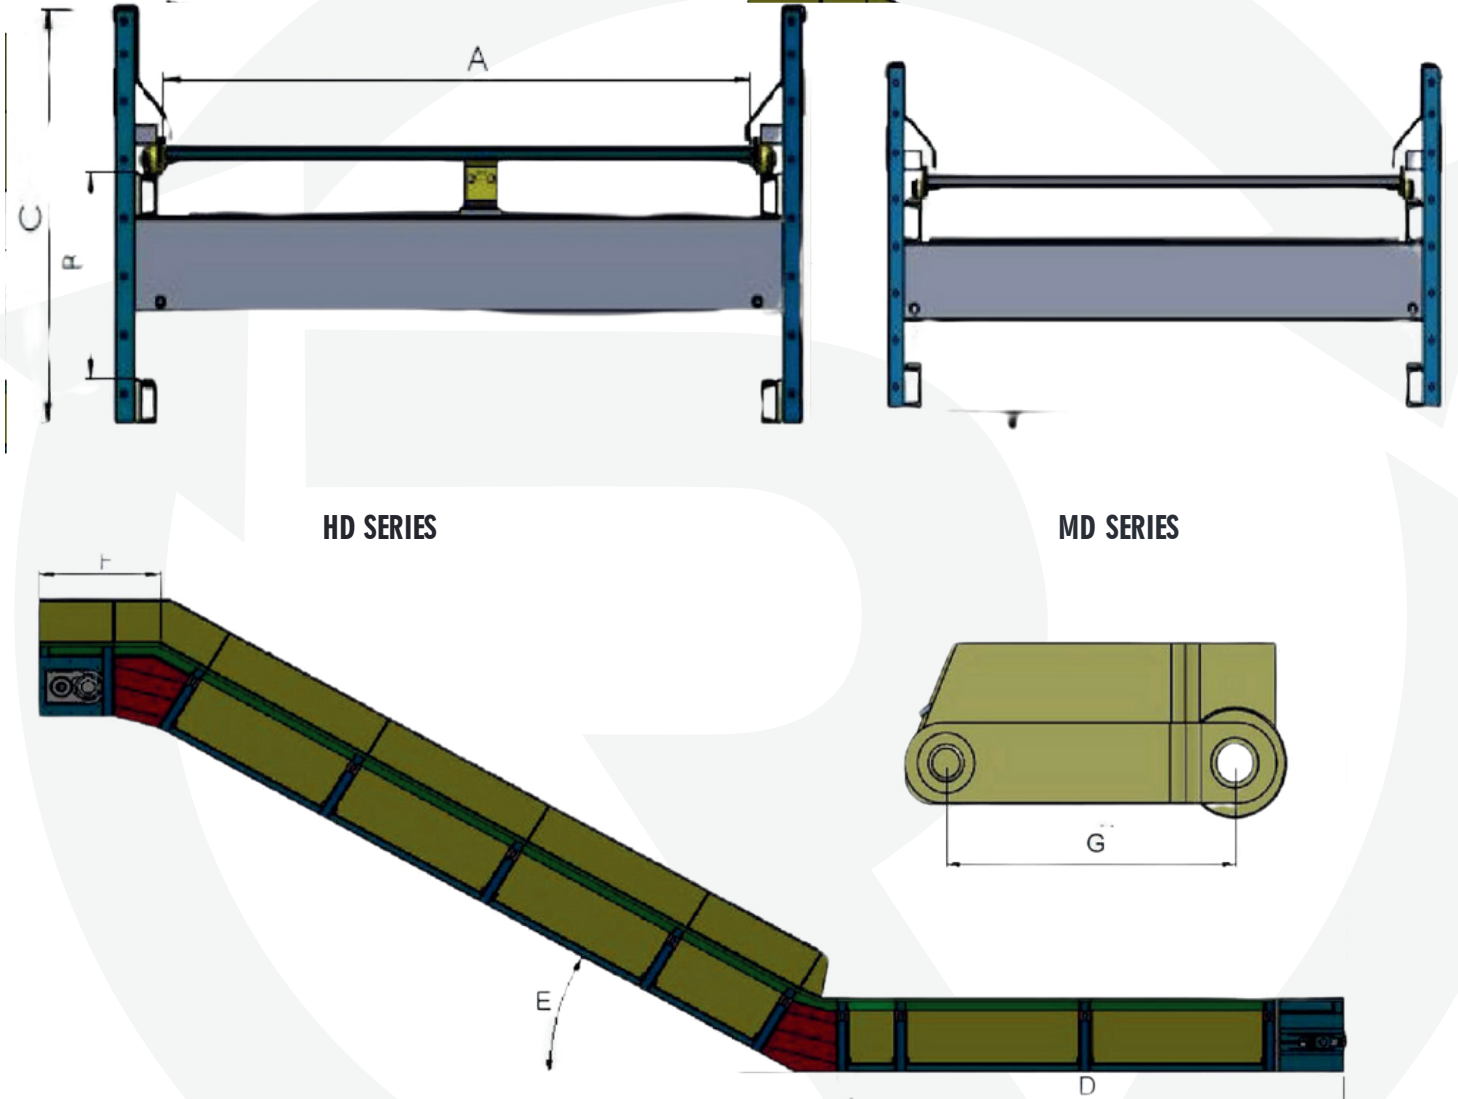

It exports to more than 20 countries, including Middle East and North Africa countries in particular. Thanks to its new investments in İzmir Halilbeyli OSB, Rifay will be one of the most important manufacturers in engineering and R&D in this sector.

Our company successfully delivers many plants and machines in the sorting and recycling areas, and makes a significant difference in the sector with the international guarantee extended by it.

Our company with its significant experience in the field of domestic waste, cable breaking and plastic recycling equipment in the industry aims to become a reputable brand in the international market with its developing export network.

CHAIN CONVEYOR

Chain conveyors have propulsion system with pallets or band connected to chains.

They have strength and durability.

According to usage, they have manufactured according to pallet thickness and chain pitch.

Our standard models have 1100, 1300, 1450, 1600, 1800mm palette width and 100, 152 and 200mm pitch.

Palettes and chains design and manufacture specially for these conveyors.

Robust Rifay Design
Sağlam Rifay Tasarımı Yapı

High Corrosion Resistance
Aşınmaya Karşı Dayanıklı

European Standards Safety
Avrupa Standartlarında Güvenlik

ZİNCİRLİ KONVEYÖR

Zincirli konveyörler zincir üzerine bağlı çelik paletler veya bant ve tahrik mekanizmasından oluşur. Güçlü ve dayanıklıdır. Kullanılacağı yere göre çeşitli zincir hatveleri ve palet kalınlıklarıyla imal edilir. Standart modellerimiz; 1100, 1300; 1450; 1600; 1800 mm genişliğinde 100, 152 ve 200 mm hatveli zincirli konveyörlerdir. Paletler ve zincir özel olarak dizayn edilip üretilmiştir.
